

Dear Headteacher

Lincolnshire County Council issued a letter on the 10th January 2022 reference Future Schools Network and Services regarding the joint procurement of continued connectivity services.

We are still here and can guarantee your continuity of service. emPSN will continue to provide the same standard and quality connectivity and IT services as always, including ongoing opportunities to enhance your service. Following on from this we would like to reiterate that it is still Business as usual from emPSN.

We are out to tender with the County Council for new telecommunications suppliers to increase the range, quality, and value for money opportunities for your school and or MAT. You will of course continue to receive the same level of dedication and service from us.

We thank you for your patience whilst the procurement is underway and acknowledge that you may have questions or may just want to talk to someone.

We are here, so please do not hesitate to give Kathryn Young a call on 01604 438043 who will be more than happy to answer any questions you may have. Alternatively, please look at [Lincolnshire Schools Information Hub - emPSN](#), which will continue to be updated over the coming months with any further developments or announcements.

Best wishes

emPSN
