

Hello

Thank you for your email, and for confirming your intentions to remain on the emPSN network.

Once our procurement is finalised, we will be able to provide details of costs for your ongoing connectivity and services for 2022 onwards. We expect this to be end of April 2022. This will allow ample opportunity for your review before any changes are made and allow you time to make an informed decision on your future services.

It goes without saying that emPSN continue offer schools on our network the most cost-effective solutions to meet individual needs, recognising that all schools have varying requirements. We will be in touch once the winning bidder is notified and the 10-day standstill period has expired. Up to date information is available on our website, go to [Lincolnshire Schools Information Hub - emPSN](#)
